TURBO BOAT

You are at the controls of the latest model of turbo charged gunboats. You are on a mission in the canals and waterways of enemy territory. Your task is to collect the files containing secret documents which must not fall into enemy hands. The files will be dropped from planes which have collected the documents from the resistance forces inland.
The enemy are aware of your task and will do everything in their power to prevent you from completing it.
At each location you must pick up 6 files. You will then be given another location to collect a further 6 files from.

BMX KIDZ

It's tournament time, so get on your bike.
You have been selected to represent your club in the UK BMX Championships. The tournament is to be run on an elimination basis, so you will need to be at your best.
In each race you are up against 5 other clubs but winning the race is not guaranteed to put you through to the next round. At the beginning of each race you will be told how many stunts and wheelies you must do in the race to stand a chance of qualifying.
You can pick up refreshments and spare wheels during the race which you are going to need as the tracks are hard and long.
You must not let your club down so go for it.

POGOSTICK OLYMPICS

The Olympic Games with a difference. All the events take place on a pogostick.
The first race is a spring. Control the height of the pogo jump, flip your hat and burst the balloons to gain time bonuses.
Each event requires you to do different things on the pogostick. The object is to finish each event with enough time left on the clock to get through to the next event. How many events can you complete?
