** INSTRUCTIONS **

Welcome to the AMSOFT golf course !

The golf course has many features
including dog-legs, streams, lakes,
bunkers, fairways, greens, slicing, hooking
and many more ...

NB for the very first round played
everyone must play by entering a 16
handicap followed by the password given
on the printed instructions.
[At the end of each round, if you have
played well enough the computer will
tell you your new handicap and handicap
password. You must write these down so
that you can enter them before a new
round.]
