

THE STORY SO FAR...

The evil sorcerer Drax desires Princess Mariana and has sworn to wreak an unspeakable doom on the people of the Jewelled City unless she is delivered to him.

However, he has agreed that if a champion can be found who is able to defeat his demonic guardians, the princess will be allowed to go free. All seems lost as champion after champion is defeated.

Then, from the forgotten wastelands of the North, comes an unknown barbarian, a mighty warrior, wielding his broadsword with deadly skill.

Can he vanquish the forces of Darkness and free the Princess?
