THE SCENE

The year is 1994. The world has been taken over by the 'orrible aliens. Only one small part remains unconquered-England! You play the role of Macho, an ace rocket helicopter pilot. Your task? To assemble the parts of your nine fighter planes, the only hope earth has left.....

PLAYING

On the screen there are three heli-copter landing pads. Parts for the planes come down from the top. You have to get a part, and take it to the bottom right corner, flying from the left. Trying to defeat you are the 'orrible aliens in their craft. Luckily you have equiped a photon proton lazer blazer, with rapid repeat fire. The build status of your current plane is at the top of the screen. Once you have assembled one plane, you must try and assemble the next. But there is a problem! The aliens get quicker and start homing in on you, until they.....!

KEYS

Joystick compatible or "Q" helicopter lift, "P" right, "O" left, "space bar" fire.
