SPLAT! - ZIPPY'S CHALLENGE

Guide our intrepid hero, Zippy, around the giant Splat Map, which shifts relentlessly trying to squash Zippy against the side walls. You must prevent this or.... SPLAT! Score by eating grass and fruit. Aim for the final gate on level 8 (no chance), avoiding being splattered, drowned or impaled on a drawing pin. Increase your score further with the bonuses at the end of each level and by eating the Invisible Grass! The massive playing area is over 50 times as big as the actual screen - so exploration is advantageous! Good Luck!
