## **GAME:**

Deep in the heart of Spooky Castle, the beautiful Princess Clare has been imprisoned by evil ghosts. King Michael has promised her hand in marriage to anyone who can save her. You, Gormless Gary, a peasant of limited intelligence, have volunteered to undertake this dangerous task.

Your journey through the castle is fraught with difficulty and danger. Each of the castle rooms is locked, rabid bats will sap your energy and the slightest contact with fire will kill you. Naturally it is also fatal to touch one of the evil ghosts.

However, fear not as help is at hand. There are keys to open the doors, the occasional cross to give you extra lives and some potion to increase your energy.

Will you be able to save the beautiful Princess or will you stay a peasant for the rest of your life?
