ANDY CAPP

It's Monday morning and Flo's demanding your dole cheque. If you're as big a skiver as Andy Capp, you've got a real problem on your hands!

You'll need every ounce of your Northern charm to find out who has made off with it. Extracting helpful information from your friends will take a drop of Dutch courage (but neither of the pubs will give you credit).

You'll have to use whatever's left over from the last dole cheque to buy a paper, check the racing pages, and slide off to the bookies, hoping for a winner.

From the comfort of your own armchair, you can punch the rentman, scrounge from the barman, blow kisses to your girlfriend, try to sneak off with Flo's handbag – with no danger to your lazy self!

Andy Capp is a fully icon-driven arcade adventure, featuring all your favourite characters from the cartoon strip.

*Andy
Flo
Chalkie
The rentman
The barman
The policeman
and more!*
