ANSWER BACK FACTFILE 500

THIS PACK DOES NOT CONTAIN A COMPUTER PROGRAM. IT MUST BE USED WITH AN "ANSWER BACK" PROGRAM – Available Separately.

Extend any of your KOSMOS "ANSWER BACK QUIZ" programs with this fascinating collection of multiple choice questions and answers. Each FACTFILE 500 pack contains an enormous total of 500 additional questions and 2000 answer options covering TWENTY different topics.

Fully compatible with ANSWER BACK Senior, ANSWER BACK Junior and ANSWER BACK Sport.

FACTFILE 500 packs provide a wealth of supplementary questions, answers, facts and figures for use with any of the KOSMOS "ANSWER BACK" quiz programs and games. They provide countless hours of entertainment and cannot fail to teach even the most reluctant pupil a great deal about the chosen subject.

FACTFILES can be used with each of the question and answer modes supported by the ANSWER BACK programs, for example, Multiple Choice, True-False? and "Complete-the-Answer". You can try as many questions as you like in sequential or random order and the computer will keep a check on your performance, point out your mistakes and allow you to revise any weak areas. The ANSWER BACK quiz programs also allow you to relax and test your skill in a compelling game as a reward for successful learning!

FACTFILE 500 packs are fully compatible with the quiz creation, editing and saving facilities included in all ANSWER BACK programs.

FACTFILE 500 packs are available on an ever increasing range of educational and leisure subjects for most home and personal computers. Each pack contains a massive collection of 500 well-researched questions and 2000 answer options. Write or telephone if you would like to receive details of the complete range of subjects now available.
