SCREENSHOTS

BMX Simulator is one of the world's best selling games, with half a million copies sold so far, and over 100 weeks in the British computer software charts to date.

**CUSTOM
BIKES!**

All the brilliant features of the original have been incorporated in **BMX Simulator 2** . . . and more too!

The burms, bumps and ramps really work. Strategically divided courses, full action replay with slo-mo option.

Ten new courses, two difficulty levels, up to **FOUR** players, customise your bikes, **DIRT BIKING** and **QUARRY RACING** scenarios . . . and more!
