BAD CAT

It's the year 1988 and Seoul prepares for the Olympic Summer Games. The dignitaries and celebrities prepare their speeches and await for the huge crowds expected to attend. Beware – there are still the straying city-dweller cats – despised by all. The infamous cats are well known for they are planning their own competitive games. Will Bad Cat live up to his name?

**Nous sommes en 1988 et
Seoul se prépare pour les
Jeux Olympiques d'Été. Les
dignitaires et personnalités
mettent au point leurs
discours et se préparent à
faire face aux grandes foules
auxquelles tout le monde
s'attend. Mais c'est compter
sans les chats de gouttières de
la ville – que tout le monde
méprise. Ces chats maudits
sont bien connus pour leur
habilité à organiser leurs
propres jeux compétitifs. Bad
