**ACTUAL
AMSTRAD
SCREENSHOTS**

History says that in 1479, the evil Squire Helfyre's vicious dominance of the village of Loxton came abruptly to an end. The townsfolk had had enough — over the preceding 40 years, Helfyre had caused many dark things to happen. Late one winters night, the populace marched on Helfyre's castle, dragging Him from his bed, swiftly decapitating him then burning the mutilated and lifeless corpse.

How were the simple townsfolk to know that he would live on? Helfyre's faithful manservant recovered most of the charred remains and laid them in a secret tomb, from where Helfyre would carry on his black arts in the guise of a hideous and all powerful DEATH DEMON . . .

Now, on the eve of the 200th anniversary of that terrible night, you the BLADE WARRIOR must reunite Helfyre's missing skull with the rest of his remains to finally lay the Demon to rest. The townsfolk will at last be released from their seemingly endless nightmare.

Go now, BLADE WARRIOR, for it is ten minutes to the witching hour — you must complete your mission before the church clock strikes the hour and an unholy orgy of violence and destruction is released . . .

History says that in 1479, the evil Squire Helfyre's
vicious dominance of the village of Loxton came
abruptly to an end. The townsfolk had had
enough — over the preceding 40 years, Helfyre
had caused many dark things to happen.
Late one winters night, the populace marched on
Helfyre's castle, dragging him from his bed,
swiftly decapitating him then burning the
mutilated and lifeless corpse.

How were the simple townsfolk to know that he
would live on? Helfyre's faithful manservant
recovered most of the charred remains and laid
them in a secret tomb, from where Helfyre would
carry on his black arts in the guise of a hideous and
all powerful DEATH DEMON.

Now, on the eve of the 200th anniversary of that
terrible night, you the BLADE WARRIOR must
reunite Helfyre's missing skull with the rest of his
remains to finally lay the Demon to rest. The
townsfolk will at last be released from their
seemingly endless nightmare.

Go now, BLADE WARRIOR, for it is ten minutes to
the witching hour — you must complete your
mission before the church clock strikes the hour
and an unholy orgy of violence and destruction is
released...
