

Colossal Adventure

Level 9 Computing

Colossal Adventure is a full-scale version of the original, classic, mainframe game "Adventure": with 70 added locations. All crammed into your micro. This massive, pure-text adventure has over 200 locations and a wealth of puzzles which may take months to solve.

Level 9 Computing specialise in adventures. Big adventures. We have developed sophisticated techniques for cramming huge games into 32K and now produce versions for many popular computers.

Our games are designed much like novels, with detailed settings and interesting storylines: the result is more enjoyment for you. And don't worry if you get stuck. Just write to us for a clue sheet that will tell you almost everything you could ever want to know about a game.

Colossal Cavern is a name of power, whispered in dark corners, embodying incredible riches and untold danger. Sensible folk hold the cave to be a myth, the product of fevered imaginations — but every year a handful of people set out to find it, driven by necessity or by overwhelming greed.

Most return empty-handed with tales of fruitless wanderings, or stories about the dangers faced: volcanos, dragons, gigantic snakes and the like. But some have never returned and speculation holds that they are the successful ones who have found the cave and perished — or maybe used the enormous wealth from it to found great empires in far-off lands where they live in luxury.

Now it is your turn to venture into the cavern and play Colossal Adventure!

REVIEWS

"Colossal Adventure ... For once here's a program that lives up to its name. Using text compression techniques, Level 9 have packed a full mainframe adventure into 48K, a masterful feat. Thoroughly recommended".

— *Computer Choice*

Colossal Adventure is one of Practical Computing's Top 10 games of 1983: "Poetic, moving and tough as hell".

— *Practical Computing*

"Colossal Adventure is one of the best in its class. I would recommend it to any adventurer".

— *A & B Computing*

"The Level 9 Adventures are superbly designed and programmed, the contents first rate. The implementation of Colossal Cave (Adventure) is nothing short of brilliant, rush out and buy it. While you're at it, buy their others, too. Simply smashing!"

— *Soft*

GUARANTEE

We'll replace the enclosed cassette/disk/microdrive cartridge if you return it to Level 9. If you have problems in the month after purchase, a replacement of the same type is free.

Otherwise, please enclose £1 for a replacement cassette or £2.50 for a disk/microdrive cartridge (if available). Add £1 if outside the UK.

OTHER GAMES

Colossal Adventure is the first in Level 9's Middle Earth Trilogy, followed by:

2 Adventure Quest

3 Dungeon Adventure
