SCRABBLE®

Pit your wits against the Computer SCRABBLE® Program. Make your computer battle for supremacy – in a fascinating and challenging game against 1 to 4 players of all ages.

Build up your (and your childrens) vocabulary and gaming skills by playing through the different skill levels – from beginner to advanced.

Enjoy hours of high-quality entertainment in full colour and sound as the computer matches its own dictionary (8500-20000 words depending on computer) against the imagination of a human opponent.
