Fantastic Mystical
Kingdoms. Collect
the ingredients for a
magic potion to kill
the evil Wizard ZAKS
—a brilliant game by
brilliant
programmers for
brilliant games
players!

ACTUAL
AMSTRAD
SCREEN SHOTS

Dizzy was exploring the haunted forest, looking for berries, flowers and a piece of wood with which to make a club when he uncovered a mystifying stone slab. Brushing the dirt aside he was able to read (after a great deal of head scratching) the faint inscriptions.

'The Avatwiffobee Potion'

Dizzy remembered his **Eggfather** had spoke of such a potion. 'It is the only way to rid our land of athletes foot, and it can also be used to destroy the **Evil Wizard Zaks**.' Dizzy trembled with fear as he recalled these words. Zaks brought fear to the village, he cast spells that turned people old, made men blind and caused it to rain every Sunday afternoon during Cricket. Dizzy was determined to put a stop to all this, he would be the hero of the yolkfolk. He read on . . .
