## HEROES OF THE LANCE COME FORWARD... THE EVIL QUEEN OF DARKNESS GROWS IN STRENGTH.

Takhisis, Queen of Darkness, and her Draconian hordes have overrun much of the homeland Krynn, even the elven armies of Qualinost, valiant in their resistance to this evil power, struggle on the edge of defeat. It is only the returning Companions of the Lance that can halt this wave of tyranny before Krynn is consumed by evil.

Freed from captivity by an elven assault column the Companions, under the guiding direction of the cleric Goldmoon and bolstered by their success at recovering the mystical Disks of Mishakal can once again restore a belief in the gods and unify the inhabitants of Krynn against the power of Takhisis.

The courageous elves will finally fall, but there is one last chance to free the loyal slaves held in Pax Tharkas and join together to recover the long-lost sword Wyrm Slayer in what could be the vital rallying point in rekindling resistance to the plague of darkness sweeping over Krynn.

"Light flared in the dingy chamber as the torch rushed through the air and plunged into the monster's mouth. The smell of seared flesh spread through the air, and the creature whirled around frantically in the water. A final thrust of its huge tail knocked the prince headlong, and then the monster was gone..."
