

ESPIONAGE ISLAND

AMSTRAD

ESPIONAGE ISLAND

You have been sent on a reconnaissance mission to observe an enemy island. Somewhere, hidden on the island, is a secret. Your mission is to observe the island. Unfortunately, one of your engines is hit by enemy fire and you are forced to abandon your plane. Your adventure begins in the aeroplane and leads to the heart of the enemy stronghold. You must then return to your aircraft carrier, but beware, your side may be fooled by your disguise.
