Amiga Screenshots (Graphics for other machines may differ from those shown).

Fun School 4 for 7 to 11 year olds consists of six brand new and original programs that will entertain and educate your children.

Stimulating sound, cleverly-animated rewards and stunning graphics combine with essential elements of the National Curriculum to delight your children while they learn. Plus, with several levels in every program, there is more than enough to keep your children coming back time and again.

Fun School 4 has been developed by the award-winning team which produced *Fun School 2* and *Fun School 3* – the biggest selling educational range ever, with more than 300,000 UK sales.

Inside: Software on cassette or disc, simple instructions for children, detailed parent/teacher notes and a *Fun School 4* safety sticker.

Also available:

Fun School 4 for Under 5s

Fun School 4 for 5 to 7 year olds

Fun School 2 and *3* for all ages
