

FUTURE KNIGHT

AMSTRAD DISK

GREMLIN

AMSTRAD DISK

FUTURE KNIGHT

Arise Sir Randolph and take up the challenge of death that has befallen the fair maid Amelia, held in the evil clutches of Spegbott the Terrible. Acting upon an inter-dimensional distress signal from the galactic cruiser SS Rustbucket, don your Omnibolt Mark IV attack suit and venture forth in pursuit of your beloved's captors. Defend yourself nobly against the Berzerka Security droids. Fight your way through 20 gruelling levels onto the planet's surface into Spegbott's castle where the fate of Amelia lies with the outcome of your mortal combat with the awesome Henchodroid. Is there any gallantry and bravery left in this modern day universe?

FANTASY

AMSTRAD DISK

Arise Sir Randolph and take up the challenge of death that has befallen the fair maid Amelia, held in the evil clutches of Spengott the Terrible. Acting upon an inter-dimensional distress signal from the galactic cruiser SS Rustbucket, don your Omnibolt Mark IV attack suit and venture forth in pursuit of your beloved's captors. Defend yourself nobly against the Berrterka Security droids. Fight your way through 20 grueling levels onto the planet's surface into Spengott's castle where the fate of Amelia lies with the outcome of your mortal combat with the awesome Henchdroid.

Is there any gallantry and bravery left in this modern day universe?
