HACKER™

It's late and you've spent the night working electronic bulletin boards with your computer.

You're tired but decide to call up just one more. You accidentally call the wrong number, your computer screen turns blue.

The words "Logon Please" appear.

You don't know the password or which computer system you've hacked into but you do want to find out more.

How? You've found your way in. Now find your way out.

BARRY McGUIGAN WORLD CHAMPIONSHIP BOXING™

A black and white photograph of Barry McGuigan, a professional boxer, in a fighting stance. He is shirtless, wearing red boxing gloves and red boxing trunks with the name "BARRY" printed on the waistband. He is looking slightly to his right with a focused expression. The background is dark and out of focus.

BARRY McGUIGAN WORLD CHAMPIONSHIP BOXING™

"The Activision computer game gives everyone the chance to fight me, but only after beating 19 other opponents" says Barry, "and they are no walk-over. Believe me – I've tried them".

So grab your gloves! Create your own boxer, choose his race, style, look and image and take him to training camp to fine-tune his skills for that all important match against the Champion.
