**THE LEGENDARY DRAGONLANCE® GAME WORLD COMES
ALIVE IN THIS EXCITING ACTION GAME.**

Heroes of the Lance is the first computer game that re-creates the epic battle between good and evil on the world of Krynn. (It is based on the first DRAGONLANCE® module, *Dragons of Despair*). Control eight companions in turn, in real-time action and full animation. Guide these brave adventurers each with different specialised skills, deep into the ruins of the temple Xak Tsaroth to retrieve the precious Disks of Mishakal. As you descend into the Abyss, the companions must defeat hordes of monstrous Draconians in hand to hand combat, deal with powerful magic and survive the vicious attacks from Gully Dwarves, giant spiders, the undead and countless other terrors. But your final obstacle makes these monstrosities innocuous by comparison. The platinum disks you seek are guarded by Khisanth, an ancient black dragon and there is one way to vanquish this mighty beast. Find the key to destroy Khisanth and the companions will take their first steps to earn the noble title, *Heroes of the Lance*.
