HOW TO BE A COMPLETE BASTARD

Ade has successfully gate-crashed a yuppie party on the posh side of town and to succeed as **The Complete Bastard** he must incapacitate all the guests by the end of the party and light up each letter in the phrase **COMPLETE-BASTARD**. He must also build up as many **Bastard Points** as he can by extremely offensive behaviour.

Ade must thoroughly search the furnishings and fittings (as any proper Bastard would) and find objects that will enable him to play thoroughly **aggravating jokes** on the guests and generally create **havoc**. Ade's antics are viewed through a **split-level screen** and no opportunity to be a **Bastard** must be missed in this truly illegitimate arcade game.
