Grab the wheel and hit the nitros - the challenge of off-road racing awaits you! Graftgold's quality conversion of the American arcade coin-op classic, *Ivan 'Ironman' Stewart's Super Off Road*, contains all the thrills and spills of the original.

Play against the computer, or join your friends in a race round the eight tracks, collecting prize money and on-track bonuses. Use your winnings to upgrade your vehicle - and remember to watch out for the mud holes, jumps and other suspension-wrenching obstacles in the race for fame and fortune.

"Highly recommended" - The One

"Simply the best - and will be for a long while yet. 94% overall" - C&VG
