

JOHN ELWAY'S

QUARTERBACK

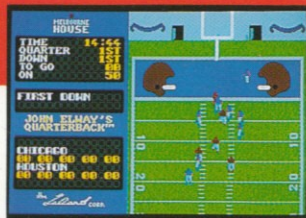

TM

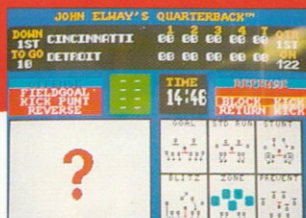

AMSTRAD
DISK

BEING A QUARTERBACK AIN'T EASY but it's the most exciting position in Big League American Football. This is *THE* simulation with action so real you can almost feel the pigskin! Designed as an accurate version of the No.1 Arcade Smash, under the watchful eye of one of the game's premier Quarterbacks – John Elway (Denver Broncos). This is ground-shaking excitement for 1 or 2 players.
