KORONIS RIFT™

LUCASFILM GAMES™

A Techno-Scavenger's Dream

Like thousands of techno-scavengers before you, you're seeking the valuable technologies of the Ancients™ in the hope of striking it rich.

Nothing. . . until you stumble across the legendary Koronis Rift in a desolate sector of a remote star system.

The hiding place of technological treasures beyond your wildest dreams, it's yours for the taking. Well, almost.

The Guardians of the Rift have other ideas. To survive, you must plan very carefully. Which hulks will you loot? Which weapons and shields will you pack into your battered Surface Rover™? Which technologies will you save?

Make the right decisions and the rewards are out of this world!
