MINDSHADOW™

You find yourself lost in the middle of nowhere. In the middle of a mystery. Who are you? Where will you go? What will you do? London. Luxembourg. You struggle for answers, your identity and for the faceless betrayer who left you to perish. This brilliantly wrought mystery echoes with intricate challenges and unexpected reversals. Hours of true enjoyment for both the novice and the advanced adventurer.

"Mindshadow is an excellent game."

HACKER™

It's late and you've spent the night working electronic bulletin boards with your computer.

You're tired but decide to call up just one more. You accidentally call the wrong number, your computer screen turns blue.

The words "Logon Please" appear.

You don't know the password or which computer system you've hacked into but you do want to find out more.

How? You've found your way in. Now find your way out.

ARE YOU THE CREATIVE GENIUS WE'RE LOOKING FOR?

If you have written any software in Assembler/ Machine Code which you think meets Activision's high standards, then please contact the Product Development Manager on 01-935 1428.
