

AMSTRAD

MUTANT FORTRESS

MUTIES STOLE MY TRUCK

(and i'm well hacked off)

Evil muties have hijacked your beloved armour-plated eighteen-wheeler and have hidden it somewhere inside their massive fortified base. You must battle your way through the zombie infested forest, before you can reach your final objective.

'.....the biggest and best thing Players have ever done, apparently. Looking at the screen shots we almost feel inclined to agree'
