JEFFREY ARCHER

NOT A PENNY MORE, NOT A PENNY LESS THE COMPUTER GAME

"We have had our money stolen by a very clever man. Gentlemen I therefore suggest we steal it back. Each of you must return with a plan of how we are to extract \$1,000,000 from him without his ever becoming aware of it.

NOT A PENNY MORE,
NOT A PENNY LESS"

At last! An adventure game that you can really understand and enjoy whether you're a dedicated, lapsed or novice player. And no goblins!

Based closely on Jeffrey Archer's first bestselling novel, and with design input by the author himself, this game uses graphics and Speech Synthesis* to bring the whole story to life.

Harvey Metcalfe, a notorious crook, has set up a "shadow" company to attract investors. Once the money arrives, he folds the company and the four major investors are left penniless. They face ruin – both financially and socially. In a secret pact they vow to swindle him in return, and take back their \$1,000,000 – Not a Penny More, Not a Penny Less.

Take the hero's role, invent your own plots, and together win back your money.

* Not available on Spectrum 48k and BBC versions.

THIS PACKAGE INCLUDES:
Instruction Leaflet &
FREE Book
