OPERATION HANOI

You are to lead a small, but stealthy, commando force across rivers, and through jungles, to a harbour where you must capture, and destroy a SUPER-TANK that is being used to enslave the population of Campuchia. Success in your mission will lead to the end of a tyrannical dictatorship. Failure will lead not only to the continued enslavery of the people of Campuchia, but also to the subjugation of the surrounding lands.

FEATURES;

****AMAZING GRAPHICS AND SOUND EFFECTS****

****THREE FIERCE BATTLE ZONES****

****THRILLING 3-D COMBAT ACTION****
