

A large, yellow, Pac-Man-like character with a red cap and a knife in its back is running towards the viewer. It has a determined expression. In the background, there are other characters: a smaller yellow one with a hat and a mustache, a purple one, and a blue one with a top hat. A skull is on the ground to the left. The scene is set in a desert-like environment with mountains and a body of water at the bottom.
