POTSWORTH & Co.

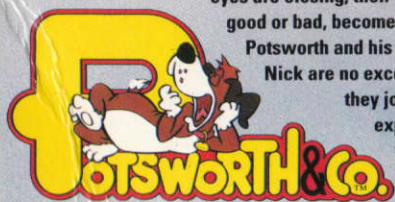

Hanna-Barbera

You might not know it, but whilst people everywhere snuggle down and their sleep filled eyes are closing, their dreams, thoughts and fantasies, whether good or bad, become reality in the Dream Zone.

Potsworth and his human friends; Carter Keiko, Rosie and Nick are no exception, and each night, once asleep, they join forces in the Dream Zone to experience fantastic adventures together ...

The snoozing ruler of the Dream Zone, the Grand Dozer, has a big problem, for try as he might, he just cannot sleep, and he's putting the Dream Zone in terrible jeopardy, for it will surely disappear if his slumber cannot continue.

The Dozer's arch-enemy, the Nightmare Prince possesses the only solution, "The Potion of Slumber". The question is, just how to get this potion to the Grand Dozer before it's too late. ... Enter Potsworth & Co., for it's time for action on a mission that could bring sweet dreams or a nightmarish end. So wake up and help our famous TV cartoon canine Potsworth and his four friends in this superb computer game. Go on - make it a 'dog's tail' with a happy ending.
