LICENSE AGREEMENT

This agreement limits your rights regarding the use of the software program and should be read carefully before purchasing this package. Opening this package constitutes your acceptance of the terms.

Unison World, Inc. (Unison) provides this software program and licenses its use. You assume responsibility for selection of the program and for decisions made or actions taken related to the use of the program and the results thereof.

LIMITED WARRANTY: Unison warrants to the initial purchaser (licensee of the program) the diskette on which the program or system of programs is furnished to be free from defects in material and workmanship under normal use for a period of ninety days from date of delivery to you as shown on your sales receipt. • Unison's entire liability, and your exclusive remedy in the event of a defect, is limited to replacement of the diskette as provided above, or if Unison is unable to replace the defective disk, to the refund of the purchase price. • Any implied warranties relating to the diskette, including any implied warranties of merchantability and fitness for a particular purpose, are limited in duration to the period of ninety days from the date of purchase. • Unison does not warrant that the program will meet your requirements, the usability of the program by people of any particular skill level or uninterrupted or error free operation of the program.

LICENSE: You may use this program on a single machine. Software that is not copy protected may be copied for archival or modification purposes unless prohibited by other agreements. • You may not copy, lend, rent or lease this software program, or the associated instructional or reference materials. • You may transfer the program and license it to another only if (a) you transfer all copies of the program (printed and machine-readable) or destroy all copies not transferred and (b) the transferee agrees to be bound by all of the terms and conditions of this Agreement. Any other transfer of any copy of the program (or portion thereof) automatically terminates your license. • THIS SOFTWARE PROGRAM IS LICENSED 'AS IS'. The software program(s) and manual in this package are provided 'AS IS' without warranty of any kind, either express or implied, including, but not limited to, any implied warranty of merchantability or fitness for a particular purpose.

The software and user reference material in this package are protected by the copyright laws of the United States. This means that it is against the law to copy or distribute copies of this program or reference material except as outlined in the preceding paragraphs.
