Sitting on a mother lode of rich mining deposits, the Parvin Frontier is a mecca for settlers, entrepreneurs on both sides of the law, and some of the worst scum of the universe. The inhabitants are on the brink of starvation and will pay anything to anyone who can get through to them with a ship of supplies from the outside world.

If you're ripe for a challenge and feel comfortable in the role of Space Freighter Captain, your ship just came in. Choose your crew from a collection of human and inhuman characters. Sharpen your management skills and man the bridge. Take command with detailed graphics, realistic sound and the finest bridge instrumentation the 35th Century has to offer.
