

# RAINBOW ISLAND

The title screen for the video game "Rainbow Island" features a vibrant, cartoonish landscape. At the top, a large rainbow arches over the title. The word "RAINBOW" is written in a bubbly, orange font with a thick outline, while "ISLAND" is in a wooden, blocky font. Below the title, a small island with palm trees and a smiling sun is visible. A white bird stands on a post to the left. In the foreground, a young boy with brown hair, wearing a blue shirt and purple overalls, is running towards the viewer with a determined expression. He is holding a large yellow star. To his left is a large, pink, bee-like character with a striped body. To his right is a smaller, similar character. In the background, there are more rainbows, a castle on a hill, and a small boat on the water. The overall style is colorful and whimsical.
