AMSTRAD SCHNEIDER DISC

SUPER TRUX

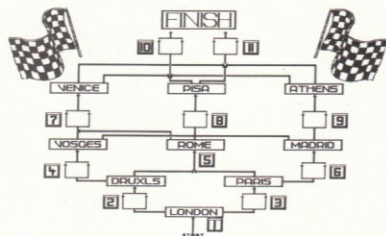

Nine European cities have come together to award the "Supertrux Trophy" – the most coveted trucking award ever devised.

Only the most skilful and daring of drivers will be able to survive the perilous journey from city to city. Precise steering, lightning reactions and a clear head will be needed to get you through in one piece – Choose your route carefully!

There are 2 elements to be beaten – time and the other drivers, so put your foot down. Play as dirty as they do and maybe, just maybe, YOU will win the Supertrux Trophy.
