SOFTWARE FOR YOUR

AMSTRAD CPC/PCW

Cleverly disguised within every SUSPECT package: your SUSPECT disk; the best-selling book *Murder and Modern Manners*; a clue-laden business card; costume receipt; party invitation; a note from your editor, and an article from the exclusive magazine, *The Maryland Countryside*.

YOU'RE GUILTY UNTIL PROVEN INNOCENT.

You have walked into a hotbed of deceit and trickery. And now they're accusing you of something you couldn't have done. But they have proof that you did it. "You're a killer," they say. And until you can prove them wrong, you're guilty as charged—murder.

Among society's upper crust, murder is the kind of nastiness that must be cleaned up quickly. So isn't it convenient that you, a struggling journalist looking for a good time and a good story, end up the scapegoat? The evidence is stacked against you, and you're being forced to prove your own innocence. And someone else's guilt. But no one wants to help you. You're an outsider. And only an outsider could be so rude as to accept an invitation to the social event of the season. Then spoil it all.

GET INSIDE A STORY. GET ONE FROM INFOCOM!

It's like waking up inside a story! Load Infocom's interactive fiction into your computer and discover

yourself at the center of a world jam-packed with surprising twists, unique characters and original, logical, often hilarious puzzles.

For the first time, you're more than a passive reader. You can talk to the story, typing in full English sentences. And the story talks right back, communicating entirely in vividly descriptive prose. What's more, you can actually shape the story's course of events through your choice of actions. And you have hundreds of alternatives at every step. In fact, there's so much you can see and do, your adventure can last for weeks and even months.

To find the Infocom interactive story that's right for you, just choose any one marked with the level of difficulty listed below that best matches your current level of interactive skill.

Introductory: Best introduction to interactive fiction, with some built-in hints. Written for everyone from age 9 up.

Standard: This is Infocom's most popular level of interactive fiction, enjoyed by both first-time and experienced players.

Advanced: A greater level of challenge. Recommended for those who've already experienced Infocom's interactive fiction.

Expert: The ultimate challenge in interactive fiction.

Then find out what it's like to get inside a story. Get one from Infocom. Because with Infocom's interactive fiction, there's room for you on every disk.
