TOOBIN'

THE MAJOR COIN-OP HIT OF THE YEAR!

Catch the action with Toobin' - the world's first inner-tube race! Join Biff and Jet the tube-dudes as they cruise the world's roughest rivers. Check out the rapids, stay one jump ahead of the crocs and arm yourself with tin cans to biff any creeps that get in the way.

Paddle down river avoiding logs and branches that'll pop your tube. Watch out for swamp monsters and fishermen, and swish through checkpoint gates for mega points.

It's crazy fun all the way to the hazards of the white-water challenges. So grab your joystick and get paddling with the rad-lads if you want a taste of the action.

Toobin' - the coolest game on the streets today!

It's great to see that Tengen have produced yet another very, very close conversion indeed, even the robotic speech from the coin-op is in there. S.T. ACTION

In the balancing act between playability and authenticity Tengen has scored a perfect 10. AMIGA COMPUTING.

The Tengen arcade original of this was fantastic...in conversion this is the business. CRASH
