This split-screen arcade game is full of action and is designed for either one or two players. You play a powerful, but mischievous Eagle that can help (or hinder!) Richard. You can help control Richard's (or his rival's) balloon altitude and course and help ward off the dastardly hindrances that have been arranged for your downfall (literally!).

Your opponent also has an Eagle as a mascot and between the pair of you it is out and out war most of the time!

So take flight and good luck!
