**TREE
HOUSE
VILLAGE!**

Dizzy was looking forward to the round-the-world cruise he'd booked up for. When he told the other Yolkfolk about the good deal he found, they wondered just what lay ahead of him . . .

Dizzy enjoyed the cruise at first although there were far too many pirates on the ship, the Grog was watered down, and he didn't even know what a mainbrace was, let alone how to splice it!

The captain, Long John Silver, was a lovely old bloke with a kindly manner, good at insulting and degrading the fare paying punters.

He was well balanced – he had parrot on one shoulder and a chip on the other – and he had a wooden leg which he acquired when he fell out of his pram as a kid.

Continued inside . . .
