

VINDICATORS

A red and grey Vindicator vehicle is shown in a city setting, firing a large cannon. The vehicle is red with grey upper sections and has a large, multi-barreled cannon mounted on its side. It is firing a bright yellow and orange projectile. The background features tall, green, stylized buildings under a yellow sky. The word "VINDICATORS" is written in a large, stylized, yellow font with a red outline and a lightning bolt graphic on the left.

VINDICATORS

Date: Year 2525 ... **Battlefield:** Outside Galaxy TR15 ...
Mission: Intercept and destroy an alien space fleet threatening
to conquer Earth ... **Weapon:** SR-88 Strategic Battle Tank ...
Codename: VINDICATORS

An armada of fourteen alien space stations approach Earth.
The only way to destroy this invading force is to infiltrate the
enemy with your SR-88 Strategic Battle Tanks, better known as Vindicators.

Vindicators – the faithful conversion of the
Coin-Op arcade hit – challenges you to
negotiate each space station's heavily
guarded corridors, and locate and destroy its
control room.

Replenish your tank's fuel supply with
fuel canisters located throughout the
many levels of each station. Special
features enable your tank to gain
enhanced speed, shot range, shot
power, force field or even "Smart Shots."

This dangerous assignment will require
all your battle-honed skills.
Win and the world cheers with you.
Lose and kiss it goodbye.
