GENIE™
CODES

Seymour arrives at Codies HQ to start work on the next film, a cowboy western.

Unfortunately the film has been sabotaged! El Bandeeto, Seymour's mysterious adversary, has tried his damndest to stop it:

The script is missing, the film isn't ready, there are no batteries for the camera, the lights are broken and the sink's blocked! Not only that, Game Genie™ has gone missing and Pete the Camera-man has hurt is hand. Very poor indeedy.

Help Seymour make his film and set across America. You must get the show on the road, or the world may never see his next great movie!
